

**Theme of the Day:**  
Filled / Full

## Day 2: Make –Believe Center

### What to Do:

**Relate the activity to the story.** Remind the children that the boy in the story filled his grocery bag full of things he thought the alligator would like to eat. Ask the children if they remember some of the things the boy used to fill the bag. (peanut butter sandwich, fruit, vegetables, and the last piece of pie, etc.)

**Discuss foods the children like to eat.** We all like to eat different kinds of food. Today we will pretend to cook beans and rice.

**Provide children with beans, rice, and various containers.** Children will pretend to cook.

**Additional suggestion** – Allow the children the opportunity to fill various size containers.
