

Theme of the Day:
Fruits / Vegetables

Day 3: Art Center

What to Do:

Relate the activity to the story. Remind the children that the boy in the story placed vegetables on the stairs and fruit in the garage for the alligator. We are going to make prints on our paper using fruits and vegetables.

Name fruits and vegetables. Show the pieces of food to the children. Encourage the children to name each one.

Let the children experiment with the materials. Place the paint, paper, and food piece where they are easily accessible. Encourage the children to compare prints made by the different fruits and vegetables.
